LIVING

Ark Dining Chair

Simply working with the standard dimensions of solid wooden planks, the Ark collection makes a statement with its honest, unapologetic and readable design aesthetic. Having responsibility in mind from the initial design phase to the flat-packed packaging, the chair is made in 100% FSC™ certified wood and is designed for disassembly to reduce its environmental footprint. Not only a decorative design piece – the Ark Dining Chair also serve as a comfortable seat at the dining table for those long, casual dinners with friends and family.
