Finish

Formica Infiniti® Laminate Grey/Stone Grey RAL 7030

Specifications

Weight: 28 kg

Height: 910 mm

Information

Designer: Chris Martin

Year: 2019

Description

Landa is a table system whose design is based on two parallel steel beams that enable an exceptionally long table frame. The result is a visually lightweight construction, with a long span between legs, which can either link beams together or end the table frame.

Lead time 6 weeks.
