

ARCS WALL SWITCH

PRODUCT FACT SHEET

ARCS WALL SWITCH

DESIGN BY MULLER VAN SEVEREN, 2021

The Arcs Wall Lamp is part of a series of arched designs created for HAY by Belgian duo Muller Van Severen. Formed from a continuous chain of curved arches that create an elegant, scalloped silhouette, the lamp provides a soft, ambient up and down light that plays with shapes and shadows. The lamp is easy to mount and is available in two variants – depending on the type of use or installation requirements: the Arcs Wall Sconce with integrated cord design or the Arcs Wall Switch with switch and cable. Arcs is crafted in solid steel and is available in several different colours or with a mirror surface. The different mounting solutions give the lamp a versatile quality, making it suitable for corridors and large spaces, as well as a bedside lamp or in small corners.

HIGHLIGHTS

- Part of a progressive and technologically advanced lighting collection.
- A family of arched shades for table, pendant and wall lamps designed by Muller Van Severen.
- A modern steel shade with a scalloped silhouette.
- The lamp comes with an on/off toggle switch and a power cable with a standard EU plug that can be plugged into a power socket.
- Ideally suited to environments without any opportunity to route power into the lamp via the wall.
- It also comes with an integrated power cable (Arcs Wall Sconce).
- Creates an ambient up and down light within a space that doesn't disturb or create unnecessary glare.
- Designed for use with a replaceable standard retro fit LED dimmable bulb .
- Suitable for both private and office environments.
- For indoor use only.

DIMENSIONS

WIDTH 17 CM
DEPTH 13 CM
HEIGHT 25 CM

MATERIALS

SHADE LAMP

Stamped and bent sheet metal steel with a high gloss wet-spray or mirror plated finish.

CORD

Braided fabric with silicone insulation.

JUNCTION WALL BOX

White sheet metal with wet-spray finish and integrated on/off toggle switch.

OPTIONS

Incl. UK Plug converter.

COLOUR & FINISH

Please note that the colour codes are indicative.

MIRROR

SEA GREEN

AUBURN RED

COBALT BLUE
