□ Marmorikantinen Plateau-pöytä henkii ajatonta, klassista tyylikkyyttä. Selkeän pöydän yhteen kulmaan voi halutessaan kiinnittää pyöreän tarjotinosan, joka tuo sekä käytännöllisen lisän että mielenkiintoisen visuaalisen elementin. Pöytää valmistetaan kolmea eri kokoa. Metallirunko on joko musta, valkoinen tai punainen, marmorikansia on neljä eri vaihtoehtoa.

□ Plateau är ett soffbord med en askbricka som tillbehör. Plateau kan både fungera som ett bord med en praktisk detalj eller som ett intressant objekt som leker med form, funktion och vackra kontrasterande material och färger. Bordet finns i tre storlekar och i flera färgval på ben och bordsskiva.

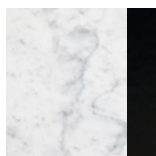

□ Plateau is a sofa table with an optional tray. Plateau can be viewed as a table with a practical aid or as an interesting object that plays with form, function and beautiful contrasting materials and colours. The table is available in three sizes and there are many colour options for metal feet, marble top and wooden tray.
