

The dining version of the TopTop table combines a glossy surface and a transparent surface in an original way. The minimal and elegant lines are made all the more stylish by the transparent, pleated legs with a square section and metal core. The various dimensions (rectangular and square versions are available) and the variety of materials make it versatile and suitable for many uses. A glass top with a white or black base version is now available to enhance and complete the line.

**lacquered top**  
4245 / 4246 / 4247

- 2P/glossy white
- 3P/glossy black
