

PK33™

The three-legged stool PK33™ epitomizes Poul Kjærholm's use of assembly techniques, his exploration of materials and his simplification of structure into a pure form. The stool draws on construction techniques from the PK71™ nesting tables and the PK80™ daybed, but still has its own strong, unique appearance.

REPUBLIC OF **Fritz Hansen**®

PRODUCT DESCRIPTION

The PK33™ stool has a loose cushion fastened with straps to a ring-shaped shell of laminated painted wood. The three legs are made of matt chromed spring steel with black leg ferrules. The cushion comes upholstered in canvas as well as in a range of leathers.

DESIGN

Poul Kjærholm, 1959.

POUL KJÆRHOLM 1929-1980

Poul Kjærholm was a trained cabinet maker and continued his studies at the Danish School of Arts and Crafts in Copenhagen. He had a particular interest in different construction materials, especially steel, which he considered a natural material with the same artistic fineness as other natural materials.

Poul Kjærholm was first employed at Fritz Hansen for about a year, where he designed a number of noteworthy chair prototypes. In 1955, Poul Kjærholm initiated his collaboration with manufacturer Ejvind Kold Christensen, which lasted until Kjærholm's death in 1980. In 1982, Fritz Hansen took over the manufacture and sales of "The Kjærholm Collection", which was developed over the period 1951 to 1967.

UPHOLSTERY

PK33™ comes with upholstery in natural canvas as well as in the following leather types: Classic, Rustic, Natural, White, Optical white, Elegance and Sense.

VARIATIONS & DIMENSIONS

PK33

ENVIRONMENTAL PRODUCT INFORMATION

Stool for lounge and waiting areas and private use.

MANAGEMENT SYSTEMS

Environmental Systems

We are aware of our environmental responsibilities. Therefore, in the autumn of 2004 Fritz Hansen obtained the ISO 14001 certification in the environmental management system. The certification is a guarantee to our customers and the authorities that we comply with the requirements of the ISO 14001:2015 standard.

Quality System

Fritz Hansen is also certified according to the quality system ISO 9001:2015.

Employee Health and Safety

Fritz Hansen aims at meeting or exceeding OSHA standards.

LONG LIFETIME

A long lifetime of a piece of furniture is an important environmental factor. Fritz Hansen aims to obtain a long lifetime through timeless design and strict requirements for strength and durability.
